IMO/ILO/UNECE Code of Practice for Packing of Cargo Transport Units (CTU Code)

Session IV: Safety, security and environmental concerns of integrated intermodal transport and logistics
Poor practice in packing CTU

Incidents in freight transport
CTU Code gives good practice for handling and packing CTU for transportation by sea and land.
• A (complete) document available in hard copy and electronic form

• A tool which (potentially) is saving many lives

• Training programmes

• National laws
