

## Proposal for Corrigendum 4 to 00 Series, Corrigendum 1 to 01 Series, Corrigendum 1 to 02 Series, Corrigendum 2 to 03 Series of amendments of UN Regulation No. 129 (Enhanced Child Restraint Systems)

The text reproduced below was prepared by the expert from Japan. It proposes a corrigendum to UN Regulation No. 129. The modifications to the current text of UN Regulation No. 129 are marked in bold for new characters.

### I. Proposal

Amend *Paragraph 6.6.4.3.1.* to read:

"6.6.4.3.1. Injury assessment criteria for frontal and ...

...	...	...	...	...	...	...	...	...
...	...	...	...	...	...	...	...	...
<b>Resultant</b> head acceleration 3 ms	...	...	...	...	...	...	...	...
...	...	...	...					...
...	...	...	...					...
<b>Resultant</b> chest acceleration 3 ms	...	...	...	...	...	...	...	...
...	...	...	...	...				...
...	...	...	...	...	...	...	...	...

..."

Amend *Paragraph 6.6.4.4.2.* to read:

"6.6.4.4.2. When Enhanced Child Restraint Systems ... , the head performance criterion (HPC) and the **resultant** head acceleration 3 ms shall be ... "

Amend *Paragraph 6.6.4.5.2.* to read:

" 6.6.4.5.2. Additional injury assessment criteria for lateral impact

...

...	...	...	...	...	...	...	...	...
...	...	...	...	...	...	...	...	...
<b>Resultant head acceleration</b> 3 ms	...	...	...	...	...	...	...	...
...	...	...	...					
...	...	...	...					

... "

Amend *Paragraph 8.1.* to read:

" 8.1. The test report shall record the results of all tests and measurements including the following test data:  
(a) ...  
(i) The following dummy criteria: HPC, **Resultant** head acceleration Cum 3 ms, Upper neck tension force, Upper neck moment, **Resultant** chest acceleration Cum 3 ms, Chest deflection, Abdominal pressure (in frontal and rear impact), and ..."

Amend *01 Series, 02 Series and 03 Series Paragraph 9.2.2.* to read:

"9.2.2. Dynamic tests for lateral impact  
The monitoring of **resultant** head acceleration ... "

## II. Justification

To align UN Regulation No. 129 with the description of UN Regulation No. 44 and UN Regulation No. 94.
