

COUNCIL OF BUREAUX
CONSEIL DES BUREAUX

New technology

New problems

Presented by

Mariusz W. Wichtowski

President

Brussels, 17.11.2014

Do we think about business?

Do we think about profits?

Do we think about the road safety?

Do we think about the victims?

- **Customers**
- **Insurance markets**
- **Car's industry**

Customers

- **Insured persons**
- **Victims**

Responsible party

- **Producer of vehicles**
- **Supplier of the software**
- **Provider of the IT infrastructure**
- **User of the vehicle**

Who has influence on the accident?

Air crashes

- **Aircraft producer**
- or
- **Airline**

- **General TPL**
vers
- **MTPL**

Legal basis of the responsibility?

**Could we exclude
the fraud cases?**

Do we need new regulations?

New technology – YES!

Victim's rights – YES!

COUNCIL OF BUREAUX
CONSEIL DES BUREAUX

**Thank you
for your kind attention**
