78th Annual Session of the Inland Transport Committee
Geneva, 23-26 February 2016

OP21, the Paris Climate accord and the role of the ITC
The Paris Climate accord

The agreement commits nations to:

"Holding the increase in the global average temperature to well below 2°C above pre-industrial levels and to pursue efforts to limit the temperature increase to 1.5°C above pre-industrial levels, recognizing that this would significantly reduce the risks and impacts of climate change;" (Article 2.1(a))

"Increasing the ability to adapt to the adverse impacts of climate change and foster climate resilience and low
