Economic Commission for Europe
Inland Transport Committee

Recent developments in the Trans-European North-South Motorway (TEM) and Trans-European Railway (TER) projects

Submitted by the TEM Project Manager and TER Project Manager

I. Trans-European North-South Motorway (TEM) Project

1. The aim of the Trans-European North-South Motorway (TEM) project is to provide assistance to the TEM participating Governments in developing and managing the TEM network in order to facilitate road traffic in Europe, in improving the quality and efficiency of transport infrastructure and operations and in assisting the integration process of transport infrastructure systems in Europe.

A. TEM activities and achievements in 2015

2. During the sixty-fourth session of the TEM Plenary Committee, the updated TEM Programme of Work 2014-2017 was presented by Mr. Audreg Macapia, TEM Project Manager and accepted by the Plenary Committee.
3. On the basis of this Programme of Work, the following tasks were included in TEM 2015 Work Plan:
   (a) Strengthening capacities of TEM participating countries by studying the workshops and exchanging of knowledge and best practices in the following areas: Financing of road infrastructure and highway projects, road infrastructure safety management and environmental impact assessment.
