Working Party on Customs Questions affecting Transport
139th session
Geneva, 3–6 February 2015
Item 5 of the provisional agenda
Terms of Reference and Rules of Procedure
of the Working Party

Terms of Reference and Rules of Procedure of the Working Party

Note by the secretariat

1. At its previous session, the Working Party considered document ECE/TRANS/WP.30/2014/11 on the status of non-United Nations European Commission for Europe (UNECE) Contracting Parties in Inland Transport Committee (ITC) subsidiary bodies. The document reflected the views expressed so far within ITC and the Working Party and drew parallels to the questions currently under discussion with regard to the establishment of Terms of Reference and Rules of Procedure of the Working Party (see the relevant documentation: ECE/TRANS/WP.30/2011/10, ECE/TRANS/WP.30/2012/2, ECE/TRANS/WP.30/2013/1 and ECE/TRANS/WP.30/2012/5/Rev.2).

2. The Working Party was of the opinion that, although legally important, the status of non-UNECE Contracting Parties was not relevant given its longstanding practice to fully include observers into its discussions. Thus, the Working Party decided to continue discussions on the so-called “hybrid approach”, implying that non-UNECE countries continue to participate as observers in the corresponding Working Parties on any matter of particular concern to them, but obtain full member rights during discussions on matters relating to the legal instruments to which they are Contracting Parties (see ECE/TRANS/WP.30/276, para. 44).

2. The Working Party decided to revert to this issue at the current session and requested the secretariat to prepare a document with proposals on its Terms of Reference and Rules of Procedure, in line with its decision to pursue the “hybrid approach”. Further to this request, the secretariat prepared the present document ECE/TRANS/WP.30/2015/7. The Working Party is invited to consider and, possibly, endorse the draft Terms of Reference and Rules of Procedure as laid down in Annexes 1 and 2, respectively. Once endorsed, they will be transmitted to the ITC for approval.

The Chair may also call a speaker to order if their remarks are not relevant to the subject under discussion. The Chair may limit the time allowed to each speaker.

Rule 23
The Chair may decide, in consultation with the secretariat, to reduce the length of a session or to postpone it in the event of force majeure.

Rule 24

Rule 26
A representative may at any time request the closure of the debate whether or not any other representative has signified their wish to speak. Two other representatives may be authorized to speak in order to oppose the closure.

Rule 27
The Chair shall take the sense of WP.30 on a motion for closure. If WP.30 is in favour of the closure, the Chair shall declare the debate closed.

Rule 28
Principal motions and resolutions shall be put to the vote in the order of their submission unless WP.30 decides otherwise.

Rule 29

Rule 30

Rule 31
WP.30 may, at the request of a representative, decide to put a motion or resolution to the vote in parts. If this is done, the text resulting from the series of votes shall be put to the vote as a whole.
Rule 32
Every representative has the right to declare their position and may request that it be reflected, in a summarized form, in the report of the session.
