Семинар по международным рекомендациям по статистике по беженцам, внутренне перемещенным лицам и лицам без гражданства

<https://unece.org/statistics/workshop/refugee2024>

**UNECE**

**EGRIS**  
EXPERT GROUP ON REFUGEE, IDP  
AND STATELESSNESS STATISTICS

## **Group discussion:**

**How to improve the production of statistics on refugee, IDP and statelessness at the national level, and enhance regional cooperation**

### **Practical information:**

- 4 groups (meeting in each corner of the room)
- Participants are allocated to different groups (1 Russian-speaking group)
- Each group should nominate a note-taker/rapporteur
- 40 minutes discussion
- After coffee break, 5 minute presentation per group in plenary

## **Group discussion:**

# **How to improve the production of statistics on refugee, IDP and statelessness at the national level, and enhance regional cooperation**

### **Guiding questions:**

- What good practice from national level production of statistics on refugees, IDPs and/or stateless persons can be identified?
- What are the main challenges that hinder the production of national statistics on these population groups? What are some opportunities to address these challenges?
- How can regional cooperation be enhanced to support further progress and improvements? What concrete suggestions can be made?

# Group discussion

## Suggested distribution of national experts in the groups:

- **Group 1** (Russian speaking): Experts from Eastern Europe, Caucasus and Central Asian countries
- **Group 2**: Belgium, Germany, Hungary, Iceland, Israel, Italy, Luxembourg, Norway, Poland, Slovenia
- **Group 3**: Congo, Djibouti, Mexico, Rep. of Moldova, Nigeria, Romania, UNMIK
- **Group 4**: Canada, France, Ireland, Portugal, UK, USA

**Other participants from International Organizations,  
NGO etc. can join any of the groups**

# Group discussion

## Position of the groups in Salle V
