Item 4.4. Border Crossing Facilitation through Identification, isolation and elimination of major bottlenecks along international transport routes

Martine-Sophie Fouvez
About Working Party on Customs Questions affecting Transport (WP.30)

UNECE guides the process of harmonizing and simplifying border crossing procedures for the various modes of inland transport.

In particular, the Working Party prepares, reviews, modifies and administers a large number of United Nations conventions and agreements in the field of border crossing facilitation.

Latest survey on the implementation of Annex 8 on road border crossing:

Convention on Harmonization of Frontier Controls of Goods, 1982

Key principles of the new Annex 9 on rail border crossing to the Harmonization Convention

Annex 9 entered into force on 30 November 2011
